THE CHOCOLATE HOUSE is a new, small business that was started by Bethan Mainwaring and Karl Evans in June 2006.

All of our chocolates are handmade using the finest Belgian chocolate and ingredients. We pride ourselves in the high quality chocolates we produce.

Our wedding favour service is a very personal service. We will produce chocolates especially for you to suit your wedding theme, your favourite chocolate and tastes.

We can provide you with the chocolates alone for you to use as you please, or we can provide you with bespoke handmade boxes. The ideal compliment to luxury handmade Chocolates

Your chocolates will be made especially to your specification. However we produce a selection of standard pralines which you are able to choose from. You can also mix and match the chocolate shape, type of chocolate and filling to design your own special chocolate.
